9. Jill has always been a shy person. _____
10. Alice is a quiet shop assistant. _____

A thesaurus is a general phrase that describes a type of dictionary that provides a list of words that have the same or similar meaning as the word referenced. Why is it Important to Use Synonyms in your Speech or Writing? Paraphrasing allows us to reduce a very lengthy quotation by using fewer words to convey the same message, and it can help avoid the temptation to use too many quotations. The team, which comprises subject matter experts, academicians, trainers, and technical project managers, are passionate about helping researchers at all levels establish a successful career, both within and outside academia. It also provides definitions. Using just one word repeatedly will ensure that you will lose the attention of your audience simply out of boredom! It is quite easy to build your arsenal of synonyms, and the list of tools later in this article will help you get started. After all, this is ultimately the goal in academic writing so that new topics and research can be clearly presented to anyone interested. Related: Having difficulty with language and grammar in your thesis? One of the most often used publications is Roget's Thesaurus, which is available in both hardcopy and electronically after downloading from an online source. The site also features a "word of the day" as an aid for building your vocabulary. It is also a popular platform for networking, allowing researchers to learn, share, and discuss their experiences within their network and community. 1 a clever often underhanded means to achieve an end her husband used every trick in the book to get out of appearing in his parish's fashion show artifice, device, dodge, fetch, flimflam, gambit, gimmick, jig, juggle, knock, play, ploy, ruse, scheme, shenanigan, sleight, stratagem, wile cheating, chicanery, cozenage, craft, crookery, cunning, deception, dupery, duplicity, fakery, jugglery, legerdemain, skulduggery (or skullduggery), subterfuge, swindling, trickeryfraud, gaff, hoax, sham, swindleblind, front, smoke screen 2 a playful or mischievous act intended as a joke thought that gluing the silver dollar to the floor and watching him struggle to pick it up would be a good trick antic, caper, capriccio, dido, escapade, frolic, gag, jest, knavery, monkeyshine(s), practical joke, prank, rag [chiefly British], roquery, shavie [Scottish], shine(s), waggery adventure, experience, game, lark, timehigh jinks (also hijinks), horseplay, play, roughhousing, rowdyismshenanigan(s), tomfoolerygambit, hoax, maneuver, ploydeed, feat, mission, performance, stuntcaprice, conceit, fancy, vagary, whim, whimsy (also whimsey)deceit, deception, delusion, fooling, fraud, hanky-panky, hoodwinking, ruse, sham, stratagem, subterfuge, trickery, wile 3 a usual manner of behaving or doing that deadbeat is up to his usual tricks: once again he's claiming the check is in the mail bent, inclination, proclivity, set, tendency, tenor, turnbag, convention, form, mode, styledepartment, manners, moresdrill, groove, jog trot, regime (also régime), regimen, rote, routine, rutattribute, characteristic, mark, traiteccentricity, kink, oddity, peculiarity, quirk, singularity, tic 4 an act of notable skill, strength, or cleverness it'd be quite a trick to hit that target from here 5 an odd or peculiar habit a dog with the trick of eating cabbage crotchet, curiosity, eccentricity, erraticism, idiosyncrasy, individualism, kink, mannerism, oddity, peculiarity, quiddity, quip, quirk, singularity, tic, twist attribute, characteristic, mark, property, traitcustom, habit, pattern, practice (also practise), way, wontabnormality, neuroticism, perversion, weirdnessdisposition, genius, leaning, partiality It is particularly serious for academic researchers because plagiarizing someone else's work in a research document can diminish or even destroy their professional credibility. Synonyms.net provides synonyms, antonyms, definitions, and even translation of the word into several other languages. What are the Benefits of Using Synonyms in Writing? It could mean that the weather was gloomy or that the person's mood was somber and depressed. Be sure that you grasp the original idea and use words that will convey the same meaning. Avoiding Plagiarism using Paraphrasing with Synonyms Plagiarism is a serious issue for writers and editors and is considered copyright infringement. For example, the original phrase, "It was a dark day," could mean more than one thing. As with any efforts to increase your vocabulary, it is helpful to keep a journal or list of new words to which to refer. It is also helpful to use those new synonyms often to keep them in your memory. Over 2,400 Words & Definitions Updated In The Dictionary ...With 235 New Words Added!GET MORE THESAURUS.COM RIGHT IN YOUR INBOX 1 a clever often underhanded means to achieve an end her husband used every trick in the book to get out of appearing in his parish's fashion show artifices, devices, dodges, fetches, flimflams, gambits, gimmicks, jigs, juggles, knocks, plays, ploys, ruses, schemes, shenanigans, sleights, stratagems, wiles chicaneries, cozenages, crafts, crookeries, cunnings, deceptions, duperies, duplicities, fakeries, juggleries, legerdemains, skulduggeries (or skullduggeries), subterfuges, trickeriesfrauds, gaffs, hoaxes, shams, swindlesblinds, fronts, smoke screens 2 a playful or mischievous act intended as a joke thought that gluing the silver dollar to the floor and watching him struggle to pick it up would be a good trick antics, capers, capriccios, didoes (or didos), escapades, frolics, gags, jests, knaveries, monkeyshines, practical jokes, pranks, rags [chiefly British], roqueries, shavies [Scottish], shines, waggeries adventures, experiences, games, larks, timeshigh jinks (also hijinks), horseplays, plays, rowdyismsshenanigans, tomfooleriessgambits, hoaxes, maneuvers, ployssdeeds, feats, missions, performances, stuntscaprices, conceits, fancies, vagaries, whims, whimsies (also whimseys)deceits, deceptions, delusions, frauds, hanky-pankies, ruses, shams, stratagems, subterfuges, trickeries, wiles 3 a usual manner of behaving or doing that deadbeat is up to his usual tricks: once again he's claiming the check is in the mail bents, inclinations, proclivities, sets, tendencies, tenors, turnsbags, conventions, forms, modes, stylesdepartments, manners, moresaffectations, airs, posessattributes, characteristics, marks, traitseccentricities, kinks, oddities, peculiarities, quirks, singularities, tics 4 an act of notable skill, strength, or cleverness it'd be quite a trick to hit that target from here 5 an odd or peculiar habit a dog with the trick of eating cabbage crotchets, curiosities, eccentricities, erraticisms, idiosyncrasies, individualisms, kinks, mannerisms, oddities, peculiarities, quiddities, quips, quirks, singularities, tics, twists attributes, characteristics, marks, properties, traitscustoms, habits, patterns, practices (also practises), ways, wontabnormalities, neuroticisms, perversionsdispositions, geniuses (or geni), leanings, partialities 1 A synonym is simply a word that means the same as the given word. Some of the benefits of using synonyms are that they can: Make text much more captivating. Not necessarily, but any part of the original text that you include in your paraphrased text should be in quotation marks. For example, if you were to look up the word "beautiful," you might get a listing of more than thirty words that have similar meanings. How to Paraphrase Without Plagiarizing When paraphrasing, be sure of the following points: The words you choose to replace the original idea are true synonyms. Improve communication between you and others. There are many forms of a thesaurus from Roget's Thesaurus, authored by Peter Mark Roget and published in 1852, to online materials available from companies that specialize in educational resources. Help avoid boring and repetitive text. Help provide an image in the mind of the reader. The more you use new words, the more quickly they will come to mind in your oral or written presentations. When speaking or writing, one of the best ways to expand your vocabulary and to avoid using the same words repeatedly is to use a thesaurus to find synonyms (similar meaning words). It is important because synonyms can help you enhance the quality of your writing by providing your readers with a crisp and unique outlook of your text. Must you always use direct quotations? This is where synonyms come in handy, but you must be mindful of what words to use. Any words that you refer to in your writings that are not your original thoughts or ideas should be correctly cited and referenced. Check out these helpful resources now! For example, instead of using the word "beautiful" several times in your text, you might use synonyms such as "gorgeous," "stunning," or "ravishing" to better paint a picture of your description. Clear and concise text using a variety of synonyms can provide your readers with more interesting reading that will hold their interest. Reverso Dictionary not only provides synonyms but also translations of a word in other languages. All About PlagiarismGood Word Choice Enago Academy, the knowledge arm of Enago, offers comprehensive and up-to-date resources on academic research and scholarly publishing to all levels of scholarly professionals: students, researchers, editors, publishers, and academic societies. Help avoid dull text. It comes from the Greek "syn" and "onym," which mean "together" and "name," respectively. Recommended Tools/Websites for finding Synonyms Several books and websites can help you build your dictionary of synonyms. Thesaurus.com is another interactive reference tool that not only provides and other related words, but also categorizes them based on complexity and length, and whether the word is used formally or informally. Furthermore, it can also improve both your oral skills and your writing skills, as noted in the following section. Learning to use synonyms effectively can help you better communicate your ideas. Below are some of the recommended tools/websites for finding appropriate synonyms: The Visual Thesaurus® is an interactive dictionary that allows you to type in a word for which you want a synonym and then creates "word maps" of related words.
